

Connecting **capital-ready founders** with the **investors** who will shape the next breakout St. Louis companies.

FOR FOUNDERS

Founder Network

Who qualifies: Ventures with an MVP and demonstrable traction, companies ready to make the case for funding, not just an idea.

3-MONTH COHORT PROGRAM

- Craft a compelling **Fast Pitch**, a tight investor-ready elevator narrative
- Develop a full investor presentation with expert coaching
- Present in a **Practice Pitch** session before a live panel of experienced Angels
- Walk away with a pitch that has been stress-tested and sharpened

INVESTOR ACCESS & NETWORKING

- Curated events alongside active Angels and VC representatives
- Warm introductions within the StartupSTL ecosystem
- Direct visibility to metro investors actively seeking to deploy capital
- Access to ecosystem advisors, attorneys, and CPAs

THE GOAL

More St. Louis companies closing rounds, faster and smarter, with the right partners at the table.

FOR INVESTORS

Investor Network

The premier monthly gathering for St. Louis Angels, VC partners, and ecosystem leaders who believe local capital should fund local ambition.

WHO'S IN THE ROOM

- Active and aspiring Angel investors
- Representatives from metro VC funds
- Seasoned founders ready to invest and give back
- Ecosystem attorneys, CPAs, and strategic advisors

MONTHLY PROGRAMMING & DEAL FLOW

- Investors from other regions sharing what's working nationally
- National industry experts and ecosystem trend briefings
- Serve as a **Practice Pitch** reviewer for early looks at compelling deals
- AngelLab programming to increase your knowledge and gain insight into how the professionals invest

THE GOAL

More knowledgeable St. Louis investors deploying more capital as Angels or LPs.

FOUNDER SUCCESS

- More companies raising more capital

INVESTOR GROWTH

- More investors deploying more capital as Angels or LPs

ECOSYSTEM IMPACT

- A stronger, better-connected St. Louis tech economy
