# TECHSTL

## WE'RE GROWING A WORLD CLASS HUB OF TECH BUILDERS

- **We Build Fast:** We embrace real-time prototyping of disruptive community impact solutions by leveraging data, automation, and proven tech tools
- **We Build Smart:** We value productive impact over politics and are developing a robust partnership of knowledgeable problem solvers who tackle wicked problems
- **We Build Together:** We move at the speed of innovation and recognize how diverse perspectives breed greater opportunities for the tech, the team, and the world

# **ANNUAL INDIVIDUAL PACKAGES**

## **INDIVIDUAL - \$150 / YR (1 SEAT)**

An annual membership for individuals who are wanting to engage deeper in the St. Louis tech ecosystem to grow their career or potential business.

Membership includes Coursera Scholarships, Committees & Member Events.

In addition, individual members have the opportunity to participate in the 1x1 6-month direct mentoring program where participants are matched with a St. Louis executive, seasoned founder, or industry expert. Mentoring focus areas include Career Development, Business Development, or Technology Development. Those accepted into the program will also have exclusive access to the monthly gatherings with Mentors & the STL Capital Network.

---

# **ANNUAL ORGANIZATIONAL PACKAGES**
