

## Equipping businesses with the tools to excel and fuel growth through affordable workforce and business solutions

We back the builders so they can build what's next

### WHO WE ARE

TechSTL is building a more diverse tech council by championing inclusivity and driving growth. Our business operation services help tech SMBs scale with solutions for healthcare, retirement, HR, commercial insurance, payroll, and accounting.

Membership offers exclusive access to these resources, empowering members to thrive in St. Louis's tech ecosystem as we work to create a Founder-Friendly city where innovation is inclusive, equitable, and accessible—Tech innovation is #STLmade.

### NEW MEMBER BENEFITS

#### Healthcare

Access comprehensive medical, dental, vision, life, disability, and EAP benefits in one place, tailored to your company's unique needs and growth.

#### Accounting & Bookkeeping

High-quality, affordable accounting solutions tailored to your organization, encompassing all your bookkeeping and financial planning needs.

#### Commercial Insurance

Comprehensive business insurance coverage protects your company from liabilities, lawsuits, natural disasters, and human error.

#### 401(K)

A national 401(k) Pooled Employer Plan (PEP) empowers employers to offer a top-tier retirement benefit.

#### HR

Expert support on employee relations, policies and policy review, hiring and interviewing guidance, progressive discipline partnership, leadership and employee coaching for all the members of your growing team.

#### Payroll

Payroll management can be overwhelming. While you drive your business forward, let us streamline your payroll processes, ensuring precision and punctuality without breaking the bank.

**TechSTL is proud to serve as the tech council for the St. Louis Metro  
and represent the fastest growing innovation network in the region.**
